

22 August 2017

FERREIRA VENTER LAWS & NEL CA (SA) respond regarding AGM account queries as follows:

1) Audit report:

The section on 'Report on Other Legal and Regulatory Requirements' should not be included in our audit report as it relates only to Sectional Titles. That includes the query on the final paragraph.

2) Directors Responsibilities and Approval:

The word 'Restricted' should read 'Unrestricted'

We apologise for the oversight and any inconvenience caused.
