Dear Members,

The end of an area

It is with much sadness that we wish to let you know that Byron Wright, our Estate Manager, after 10 years of exceptional dedication, has decided to leave Raptors View.

Byron has been offered an opportunity in a totally different field and being young he would very much like to take on this new challenge as soon as possible.

Byron has run Raptors View with the utmost professionalism, thus ensuring that the estate is now considered one of the most sought after in the Lowveld. In his role as Estate Manager, Byron was always a gentleman, a voice of reason and an incredibly practical man and he will be sorely missed by the board and the residents.

We would like to take this opportunity to thank Byron for all his hard work and dedication. It is very much appreciated. We would also like to wish him great success in his new endeavour. As Byron and his family are not leaving Hoedspruit, we will extend an ongoing invitation to him and his family to our regular river braais.

We will advise members of a date to be set for a farewell in honour of Byron. As those of you who know him, he is not the cocktail party type and a Raptors family river braai send-off would be his first choice.

The Board will immediately start the search for a new Estate Manager / General Manger to fill Byron's position.

Regards

The Board
