JOHN BELLEW ABRIDGED CV

1. I am a practising attorney and a partner of Bowman Gilfillan Inc., based in Sandton. Bowmans is an African law firm, with 9 offices in 6 African countries and is a complex, multi-national business. Prior to joining Bowmans I was a partner and member of the managing board at Webber Wentzel, another large South African law firm. I have been engaged in law firm strategy and management for over 30 years. Amongst other management responsibilities I chair the audit committee of Bowmans and am a member of its governing body, the Partnership Board.

2. I specialize in corporate and commercial law. I regularly advise boards of directors on corporate governance issues and fiduciary duties.

3. In my personal capacity I am a trustee of a number of family trusts and I am a board member of Bosman Lodge Shareblock Proprietary Limited, which operates a private, non-commerical lodge in Madikwe Game Reserve.

4. I am the longest-serving of the current directors and have, during my time as a board member, built up substantial institutional knowledge of Raptors View, of the regulatory environment applicable to us and of the issues that we face as a community. I believe I am well-placed to continue to add value to the Raptors Board, both with respect to legal and corporate governance issues, and generally with respect to the issues that face us as an estate.

5. I like to try and contribute and although I am not a full-time resident at present I, like all of us, have a large investment in the estate, and a deep love for the bush that brought me here in the first place. I would be happy to continue to act as a director should members so decide.

John Bellew, 29 September 2025
