Short CV to support nomination of Dr Brian Brink to the RVHOA Board

Age 73
Owner RV57
Married to Angela
Five adult children — four sons currently overseas; one daughter (Alexandra Adams) living in Hoedspruit. All enjoyed many holidays at Raptor's View as they grew up.

Our family has owned a stand and home at Raptor's View since 2001. Angela and I have recently moved from Johannesburg and settled permanently at number 57 Tawny Eagle Road.

I have previously served on the RVHOA board - at the time when the entire electrical infrastructure had to be upgraded. It was a very difficult time for all owners, but we got through it. Raptor's View has since gone from strength to strength, under the guidance of successive board members and changing management. As a homeowner I am very grateful to all those that have put in a huge effort to make Raptor's View the wildlife haven that we all enjoy.

I have experience and institutional memory of RVHOA governance. Now that I am living on the Estate permanently, I feel in a better position to make a contribution towards the strategic planning and oversight that will ensure that Raptor's View remains one of the premier wildlife estates in Hoedspruit and South Africa. I have a particular interest in the big infrastructure projects that will be required to sustain our investment well into the future.

Before I retired, I worked for Anglo American for 33 years, much of it as their Chief Medical Officer. I have served on many boards, both in the for profit and not-for-profit sectors, domestic and international, always as a non-executive director. Examples include: Discovery Limited; The Global Fund to fight AIDS, TB and Malaria; Section27; Right to Care; The International Women's Health Coalition; GrassrootSoccer. My only remaining commitment is as Co-chair of the MOSASWA Regional Co-ordinating Mechanism – a public, private and civil society partnership - which seeks to control and eliminate malaria in southern Mozambique, South Africa (Limpopo, Mpumalanga and KwaZulu-Natal) and Eswatini.

I have no interests to declare in relation to the work of the RVHOA Board and particularly, no conflict of interests.
